NERVE CENTRE

BORAG THUNGG, EARTHLETS.

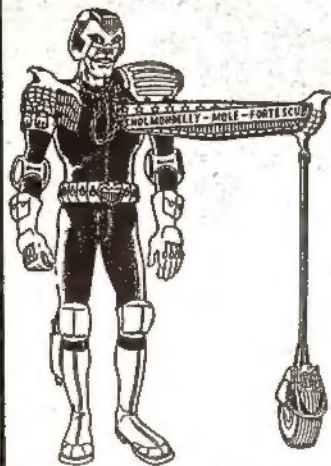

This magnificent edition of the galaxy's greatest comic contains your customary collection of thrill-powered stories...but to keep your circuits simmering for next week's 9th birthday celebrations, it also contains a zarjaz *Rogue Trooper Freebie!* I know how many of you have been yearning for another sight of the Genetic Infantryman, and I know you are too impatient to wait for his mega-length story in *DICEMAN Issue 3* - on sale June 7, put it in your diary - so I arranged with Titan Books for a scroting 25 copies of their first *Rogue* album to be given away free...more details later on! Of course, the treats don't end there. I've also programmed a great intellectual tale: 'Supersub', starring no less a robot than Burt; and there's another in my series of Pin-Ups portraying the work of the New Masters. True, Carlos Ezquerro isn't as new as some robots I could mention, but there's plenty of life in Old Barcelona yet!

3D : THRILL-SUCKER THEORY

Borag Thungg, Tharg.

With reference to Earthlet Peter Moore's letter (Prog 458) about a 3D *Judge Dredd* story, I have a zarjaz idea about how to prevent the overloads of thrill-power which so worried you. Allow a few thrill-suckers to crawl over the 3D pages, then - as soon as the thrill-power comes down to a safe level - kill them. This would leave you with a circuit-shattering story that won't overload you.

From Earthlet E.Stonecliffe, Sheffield. £5 Winner.

You are to be congratulated on this logical - if a trifle ruthless - plan of action, although I suspect most Terrans would not wish to see their 3D Dredd splattered with thrill-sucker innards.

ANTIPODEAN ANTIDOTE

Dear Tharg,

My little brother and I have been obsessive 2000 AD readers for two Earth years, in the star system Australia. Now that we've moved to England, however, instead of receiving an out-dated - by 3 months! - prog every week, we've got the terrible job of deciding which back-dated progs, which monthly magazines, which books, annuals, badges and T-Shirts to buy. Can you suggest a way to help us out of this dire predicament?

From fretful Earthlet Mary Braithwaite, London. £5 Winner.

Simply ask your local thrill-merchant not to sell you any 2000 AD products *unless* they've been kept in a dirty, dusty or damp cellar for at least 12 weeks. If the merchant refuses to help, return to Australia.

WHO? WHEN? HOW TALL? HOW OLD?

Dear Tharg the Mighty,

Please answer these questions for me...Who drew the first *Judge Dredd* story to appear in 2000 AD? In which issue did Art Robot Ron Smith's first Dredd story appear? And do you have to be over a certain height or age to become a qualified Judge (because my parents want me to become one)?

From curious Earthlet Ian Gleeson, Dublin. £5 Winner.

The droid McMahon drew the first published Dredd; the droid Smith's first Dredd appeared in Prog 104; and yes - you *do* have to be over a certain height and age to become a qualified Judge.

SOUVENIRS: AN AMAZING COINCIDENCE!

Dear Tharg,

I recently saw a large 2000 AD poster featuring *Judge Dredd*, and I am now very interested in buying one for myself. Along with this, I would like to buy one of your T-Shirts (size - large). Please could you give me some sort of order form and a price list.

From Earthlet David Loudon, Saltcoats, Ayrshire. £5 Winner.

No. The Command Module does not sell *any* form of merchandise; you can buy the goods you want from a specialist comic shop (I think AKA of Glasgow is probably the nearest to you). By a truly amazing coincidence, however, I am giving away several of those giant - approx. 3 x 1½ metres - posters as special souvenirs in next week's 9th Birthday issue.

"OINK!" PREVIEW ISSUE. COLLECT IT FREE IN "EAGLE" DATED 3rd MAY.

THE REGRET TABLE RUSE OF ROCKET REDGLARE!

REMEMBER ROCKET REDGLARE, GOLDEN-HAIRED GUARDIAN OF THE GALAXY? STEEL-EYED SENTINEL OF THE SPACEWAYS AND BORN OF THE EXTRA-TERRA STRIKE?

REMEMBER HOW, AIDED ONLY BY THE GLAMOROUS LUSCIA, HE VANQUISHED THE VILEST VILLAINS OF THE OUTER VOID?

AND MOST MEMORABLE OF ALL, HOW HE REPELLED COUNTLESS INVASIONS BY HIS ARCH-FOE, LUMIS LOGAR, THE MAN WITH THE JADE HEART?

HOW HE CRUSHED THE CRAVEN COM-MUN OF CYGNUS AND PULVERISED THE PREDATORY PILCHARD PEOPLE OF PLUTO AMONG MANY OTHERS?

MANY AND BITTER WERE THEIR BATTLES, AND THERE WERE SOME WHO SAID THAT OVER THE YEARS A CURIOUS MUTUAL RESPECT HAD BLOSSOMED BETWEEN THE TWO...

BUT WHATEVER THE REASON, IT HAS NOW BEEN THIRTY YEARS SINCE LOGAR'S SANSUAN SPACE ARMADA LAST DARKENED EARTH'S SKIES...

...THIRTY LONG YEARS OF PEACE AND PROSPERITY.
